

Tax Ruling 'Disaster' for Government Agencies in Quad-Cities

A circuit court ruling in Chicago holding the collection of personal property taxes on corporations unconstitutional would bankrupt every taxing body in the Quad-Cities area and township finance offices, court heard today.

"The city of Granite City could never survive such a blow," Mayor Donald Partney said.

James Barton, Granite City township assessor, said that if this ruling stands, all of

Granite City's taxing bodies will be in trouble.

But when the Press-Record in Granite City township alone the ruling could mean the elimination of \$71,789,190 in personal property valuations on the basis of new assessments for 1970, Barton announced just a few weeks ago.

The ruling, which has been appealed by Illinois Attorney General William Scott to the Illinois Supreme Court, also would affect tax agencies

throughout the 102 counties of Illinois.

Seeks Early Hearing

In announcing his appeal, Attorney General Scott said he was requesting the high court for an accelerated hearing "to avoid disastrous disorder" caused by the hardship on the taxpayers, as well as a breakdown of our school systems and other municipal services throughout the state.

The attorney general notified officials of the 102 Illinois coun-

ties to administer the existing assessment laws until the Supreme Court makes a final determination.

Barton said the elimination of tax extensions against corporations and businesses in Granite City would result in a \$154,270 assessment against individuals which still remain on the books after the 1970 personal property reductions were made on household furnishings and other items of a tax-free nature.

In addition, he said, it would

mean a loss of \$60,032,135 in assessments on corporations per year, \$1,062,165 in assessments of insurance firms.

\$85,840 in assessments of unincorporated businesses and \$2,185,000 in assessments of banks, for an overall total of \$77,000,000.

These reductions would be in addition to the \$6,655,210 loss in assessments for the 1970 tax year because of Household Extension on real estate and the elimination of assessments on

household furnishings and one automobile in each family for individuals.

As a result of those losses, the 1970 property assessment for Granite City, upon which tax bills collectable this summer will be based, is \$33,280, compared with a 1969 total assessment of \$174,891,490.

E. R. "Pat" Rich, Granite City treasurer, said the loss to the city of Granite City in 1970 in a tax-free revenue would amount to approximately \$750,

000 on the basis of the 1969 tax rate of \$16.4. The new 1970 tax rate has not yet been extended.

On the basis of a \$71 million assessment loss and last year's total tax rate of \$5.47 per \$100 assessed valuation for all six taxing bodies in Granite City, the loss would approximate \$3,928,859.

The total tax extension in Granite City, involving for all six taxing bodies last year, of its overall assessment of \$36,808,365,

Suit May Block Levee Election

By HARRY BARNES

Press-Record Staff Writer
In voting proceedings to restrain the county clerks of Madison and St. Clair counties from conducting a special election of five members of the East Side Levee and Sanitary District, with the support of Governor Richard B. Ogilvie fails to rescind his original order for such election, it was learned by the Press-Record today.

A special primary election to

nominate two Republicans and two Democrats candidates for the levee board will be held in Madison and St. Clair counties of each party in St. Clair County, is scheduled for May 4 under the governor's order. A runoff election to name five incumbent board members is set for June 22.

To proceed with the election would confront the district with two boards of trustees since the Illinois Supreme Court ruling

last week which will permit the four county clerks to come in office in time to file a special election and request the election to be cancelled. If he fails to reach the governor, Hoban said, will present the matter to the governor's aides in Springfield.

Intention Other Recourse
"If I cannot convince the governor's office that the special election is creating an unnecessary expense, the problem in the levee district, then I believe my only remaining recourse will be to file a petition for a restraining order to prevent the county clerks from conducting the election," Hoban told the Press-Record.

At Springfield, however, a spokesman for the governor told the Press-Record that a "plan" for the election will continue.

He said the legal interpretation placed upon the Supreme Court ruling is that it will permit the incumbent members of the levee board to remain in office only until the election is held to name their successors.

Governor Ogilvie ordered the special election last Dec. 5 following conviction of the present five-member board members, including Morris Campbell, George Duff and Lawrence Taylor of East St. Louis, and William "Mike" Ehresdorf of Venice—on charges of misconduct in the award of \$169,000 worth of repair contracts without

with no opposition.

This year's Granite City Park district election will be held April 11, but the ordinance was a result of an ordinance changing the election date. The ordinance was adopted by the park district early this year.

There is no township election in Granite City this year because assistant supervisors whose terms originally were scheduled

with no opposition.

GC City, Nameoki Vote Competition Tomorrow

Granite City voters will go to the polls tomorrow to elect a city street superintendent and seven aldermen—in each of the city's seven wards. Voting also is scheduled in Nameoki, Venice and Chouteau townships, and in the Venice park district.

Polling places will open at 6 a.m. and close at 6 p.m.

Results of the balloting will be reported to the office of City Clerk Robert Stevens as soon as possible, according to a press release.

Because it is an off-year election in which only the aldermen and street superintendent is elected, a vote of about 50% of the registration—about 9,000 voters—will be cast.

Tomorrow's election does not entail the choice of mayor, clerk or other elected city officials.

In addition, tomorrow's election in Granite City will involve only one office of the clerk of the court, which handles elections of park district or township officials which has been the case in past years when the park district and township elections were held at the same date as the city election.

Town Elections Light

Township elections will be held in Nameoki, Venice and Chouteau townships, with the exception of the clerk of the court, who is the township's political leaders are seeking the one supervisor post, and three candidates are in the race for township highway commissioners.

In Venice and Chouteau township, the incumbent highway commissioners are the only

candidates on the ballot and therefore will be elected automatically without opposition. The same condition prevails in the Venice Park District which elects two commissioners. Here again, two candidates are seeking the two openings with no opposition.

This year's Granite City Park district election will be held April 11, but the ordinance was a result of an ordinance changing the election date. The ordinance was adopted by the park district early this year.

High Court Overrules Tax Exemptions for Elderly

All tax work has been discontinued by the office of City Clerk Eulalia Hoban at Edwardsburg as the result of a Supreme Court ruling that Homestead Exemptions on real estate under a 1969 act of the legislature are unconstitutional.

Miss Hoban said she has laid off a special crew of nine persons who were working in exemptions.

The tax work will be held up until her office can obtain a legal ruling from the state's attorney's office as to whether the exemptions granted to property owners 65 years of age

or older, should remain in effect for the 1970 tax year as the basis of tax bills to be collected.

The court ruled that the enforcement of the exemption violates the uniformity clause of the 1870 constitution. Bills are now pending to enact the same \$1,500 exemption under the 1970 constitution.

If the state's attorney holds the high court ruling is applicable to this year's tax collections, all assessments will have to be revised and collection of the tax books will be about six months late, Miss Hoban said.

Press-Record to Give Tuesday Vote Results

Results of Tuesday's Granite City municipal election and township election will be available from the Press-Record office after polling places close Tuesday evening.

The Press-Record office will remain open to compile results of the city and Nameoki township races. There is no opposition to election in Chouteau townships, nor in the Venice park district election.

Those interested in obtaining election results may call the Press-Record at 876-2000.

The Mayor's Statement

The mayor's statement said: "In the last issue of the Press-Record, Granite City Aldermen claimed to offer proof which would contradict my statement concerning council proceedings and their actions. It is only fair that the public know, in sufficient time for the election, that the aldermen's release is loaded with misleading half-truths."

The Council's Extravagance

"It is true I stated that I favored the elimination of the Comptroller's office, but I further stated this should be done only if and when a qualified person with accounting ability was found who could handle the combined duties of Comptroller and City Clerk. They again told only a half-truth.

Eleven Persons Hurt in 7-Car Accident; 15 Mishaps Here

Nineteen persons were injured—11 of them in one accident involving seven cars—in a total of 15 accidents occurring in and near the Quad-Cities area during the weekend.

Eleven persons were injured in a three-car pileup on Interstate 270 near the Route 3 exit at 8 p.m. yesterday when Joseph Marfa, Edwardsburg, attempted to pull his auto onto the highway. The auto, driven by Louis Pinon, Springfield, was traveling at 60 mph and was followed by the auto of August Licare, St. Louis, which also struck Pinon's car.

Six persons in the Lindblom auto were injured. The passengers in Pinon's car and the drivers of the Marfa and Licare autos were injured.

They were taken by ambulance to St. Elizabeth Hospital for emergency treatment.

Injuries

Those injured in the Lindblom auto were the driver, his wife, Leonard Decker and Mrs. Jeanne Phillips, and their two sons, Dennis and Michael. The Lindblom, 21, complained of neck pains, X-rays were taken.

**Prather Faculty Workshop
Studies Student Skills**

A two-day workshop for the faculty members of Prather Junior High School was conducted at the school last week in a study of means to improve the school for better human development of student skills.

Co-ordinating the program were representatives of Mental Health Clinics in Granite City, Alton and Madison County, and Robert Korn, a consultant from St. Louis University.

Participating in the program were Robert Newsome, Mrs. Betty Shelly and William Dammeyer of Granite City, Sherman Sklar from the county division, and Joseph Johnson of Alton.

The 41 members of the faculty were divided into four groups on the opening day to develop a list of student needs and behaviors manifested by students.

During the second session, topics of discussion included 19 different categories of needs, according to teacher observations. They included need for accomplishment, attention, basic learning skills, meaningful curriculum, social skills, recognition among peers, self identity, sexual knowledge, health education.

Need for money, student-oriented curriculum, physical activity, growth and knowledge, self pride, constructive leisure time, outside experiences, security and retribution.

At the conclusion of the two-day workshop, which will be conducted at the school in a number of schools, the consultants will summarize their findings and a final solution. A copy of the report will be at the discretion of the faculty and the approval of the school board.

As a result of the student-faculty program, the 19 needs will be developed into a list of staff members assigned to each group as an action task force in a continuing program.

In Group One on the topic of accomplishment, attention will be learning, identity and security will be 16 teachers; Group Two on recognition (peer), self pride, basic learning skills and meaningful curriculum will include eleven teachers.

Group Three supervising health education, growth and knowledge, physical activity and sexual knowledge will include eight teachers, and Group Four on student oriented curriculum, social skills, constructive leisure activities, outside experiences and security and retribution will have six teachers.

A co-ordinating council composed of Kathy Harsh, Painter, Jack Haug and Gene Grimes will be available to discuss any problems or progress made on the specific subjects, according to Gilbert Walmsley, principal.

He was taken from MERCER MORTUARY, 1416 Niedringhaus Ave., to Trinity United Methodist Church for services at 1 p.m. Thursday, April 1. Interment St. John Cemetery, 2901 Nameoki Rd., Alton.

MRS. JOHNSON HOSTES

Mrs. Celeste Johnson, 2533
Iowa Street, entertained the Thurs-
day Evening Club recently
with prizes for the night going
to Mesdames Myrtle Ryan,
Angie Hartman, Louise Orr,
Alice Koester and the host-
ess.

Mrs. Johnson served refresh-
ments to the winners and Mrs.
Louise Hutchings, Mrs. Myrtle
Burns and Lorene Campbell.
Centerpieces were nests filled
with candy. A miniature rab-

bit or duck was at each setting,
and the table decor was in an
Easter Sunday theme.

Mrs. Ryan invited the club to
her home, 2338 Sheridan Ave.,
April 15.

Summer Is Almost Here! First Race At Tri-City Speedway 2 Weeks Away

The Tri-City Speedway will open its 10th season of racing with super sprint and hobby stock car events Sunday afternoon, April 18, at the half-mile track.

The race will be a five-month racing season which will include four United Stock Auto (USA) sanctioned midsize race, two motorcycle races, and the weekly Sunday afternoon races which will be switched to Friday nights in May, according to Roy Brammell, track manager.

There is also a good possibility that a contract will be signed with the National Association of Stock Car Racing (NASCAR) for a series of Grand American division stock car races here, Brammell said. The 200 lap events carry a purse of \$1,000 and the top stock car drivers in the nation will compete.

Motorcycle racing will not begin in April but a starting date is being planned for May. The motorcycle events will take to the quarter-mile dirt oval every Tuesday night.

Attract More Drivers

To attract more out-of-state drivers to the track here, arrangements are being made with the Williams Grove Speedway in Mechanicsburg, Pa., whereby points accumulated at either track will be

used to bolster attendance at the track this year. Several events are planned including Granite City High

school, Senior Citizens and

Scott Air Force Base races.

Members of the groups honored will be admitted free to those events.

"We think that once people have seen one race here they will fall in love with our type of racing and keep coming back, so we are trying these free nights to get people to come to the first race," Brammell said.

"One of the objectives of those attending last year was the long process of qualifying cars. We have eliminated that first race," Brammell said. He explained that drivers will draw from a hat to determine the heat and position in which they will start.

Driver Feature Race

The first feature race will be the checkered flag in each heat will be entered in the feature race and the others will enter the semi-feature race, Brammell explained. The first four finishers in the semi-feature will also be entered in the feature, he said.

"One flip of the coin each week will determine whether the feature turns into a straight-up or inverted order," Brammell said. In a straight-up start the winner of the first heat is awarded the pole position for the next race, while the last heat is beside him. In an inverted order the first heat winner would begin in last place and would be forced to fight his way through the pack to win the feature.

"The track is in great shape," Brammell said. Crews have

allow push trucks to get to stalled cars faster, Brammell said.

"Most of the top drivers from the track last year are expected to compete again this season, including Bill Johnson, year's point winner. Wib Spangler, a favorite of fans here, Dick Sutcliffe, Jimmy Moughon, Bobby James and others."

"In addition the USAAC rates the top names in national auto racing such as Arnie Knepper, Johnny Parsons Jr., John Rutherford, Bruce Walkup, Mel Keeler and others."

"One of the objectives of

those attending last year was the long process of qualifying cars. We have eliminated that first race," Brammell said. He explained that drivers will draw from a hat to determine the heat and position in which they will start.

Keep Pace Fast

In an attempt to keep pace as possible, the backside section of the track will mark the start of a series of weekly races that will go on through Oct. 15. And it looks like our 10th anniversary is going to be a great season," Brammell concluded.

Warriors, Trojans Runners Fall to Alton at Relays

Area high school trackmen found the going rough during Saturday's Alton Relays as Madison finished 21st place in the 100 relay, failing to place or score a single point.

Madison's only salvation was Ed Chandler who placed fourth in the 100-yard dash. Gale Murphy of Alton won that event with a time of 9.8 seconds. Madison collected two points in the event. The Warriors' only claim to fame from the meet was a sixth place in the eight-man mile relay, one-tenth of a second off the winning time.

Tomorrow the Warriors will

host Cahokia and East St. Louis

at 3 p.m. and Wednesday the

Grande City junior varsity and

sophomores will host Alton at 4 p.m. on Friday.

The Warriors and Trojans will travel to the Mineral Area meet in Ca-

hokia beginning at noon.

Registration Set

The Mitchell Athletic Club will hold registration for boys baseball and girls softball for youngsters from 7 through 15 years old, from 6 to 8 p.m. Tuesday at Mitchell School. The registration fee is \$4.

Baseball Trojans Lose Four Straight

Madison High Schools Trojans suffered their fourth straight loss Friday, 15-4, at Triad.

The game was called in the last of the fifth inning as the Trojans had two outs and two and a half to go.

Tria scored five runs in the first inning, one in the second and nine in the fourth. The Trojans scored two in the first inning, one in the third and one in the fourth.

Austin Lewis struck out in the first inning, but the catcher dropped the ball and it made it

to first base and then stole second. Courtney Provino tripled sending Lewis home and then scored when John Gardner singled.

After Vernell Thompson doubled, he scored and then scored again on a two and a half pitch, allowed him to score. The Trojans fourth run was made by Bert Thompson who tripled and scored on a Triad shortstop error.

The Trojans will travel to DuPont for a game at 4 p.m. next Monday.

Men's Hair Fashions Optimist Club Topic

A history of men's hairpieces styles and fashions combined with actual demonstrations under the direction of Norman Brokaw, featured the program of the Granite City Optimist Club at a luncheon meeting at the First United Presbyterian Church.

Ted Ellerman, program chairman for the month of April, introduced Mr. Brokaw and the models Fred McColligan and Paul Crake, all from the Razors Edge Barber shop.

Paul Sundberg, president, presided over the business meeting. He announced next Thursday's meeting will be combined with other local service clubs in joint attendance of Manly Thursday services at the First United Presbyterian Church.

The following week's program will concern the annual Optimist Oratorical Contest for young men in the 7th, 8th, and 9th grades of the local schools. Judging will determine the winner who later will compete at the regional level.

There were 28 members attending the meeting.

Wood River Church Scene Of Bates-Farris Wedding

An out-of-town wedding of interest here was that Friday evening in Wood River of Miss Donna Joette Farris, a daughter of Mr. and Mrs. William Farris and Dale Farris, and Ronald Bates of Chattanooga, Tenn., a son of Mrs. Evelyn Hounihan of Portageville, Mo.

The candlelight ceremony at 7:30 p.m. on Friday evening took place at the Missionary Baptist Church before the altar decorated with white flowers and greenery. The candles were lighted by Kenneth Fallis, a brother of the bride, and Tommy Lawson, a cousin.

The Reverend Johnny Albin of Spiro, Okla., officiated, and a reception was held afterward in the church parlor.

A group of grooms dressed with a natural waistline and a modified scoop neck, appliqued with pearls and sequins, was worn by the bride. Long tapered sleeves were also trimmed with pearls and crystals and the pouffant, floor-length skirt was

appliqued with lace and pearls. It featured a detachable overskirt of peau which formed an apron effect in front and extended in a cathedral train behind with lace and embroidered with pearls.

A floor-length mantilla was edged with a wide border of lace and the bride carried a white Bible topped with lilies and white orchids.

Miss Claudia Lipe of Paintsville, Ky., was maid of honor, and Mrs. John Almond, Miss Ronda Johnson and Mrs. Tony Ham served as bridesmaids.

They were dressed alike in gowns with royal blue velvet bodices and slightly gathered waists of powder blue, accented with Empire waistlines, encircled with bands of braided crepe and velvet, high necks and long puffed sleeves. Open bodices of velvet scattered with long powder blue veins and each attendant held a single long stem white rose.

Marlene Stone and Dale Farris, a bride of the bride, served as flower girl and ring bearer. The former wore a long dress of powder blue and a high waist encircled with a royal blue velvet band, and a headband with sequins like those of the older girls. She carried a basket of white petals.

The Reverend Donny Hutchinson of White Bluff, Tenn., was bride, and Ralph Moon, a high school boy in Hayti, Mo., and the former Miss Fallis graduated from the Granite City High School in Chattanooga where they will

attend the new Temple Baptist College, SIU-SW and Gradwohl of Chattanooga, Tenn., are parents of the bride. The parents include Jerry Burcham, David Kelly and David Rodman, all of Chattanooga.

Serving as ushers were Leon- ing. Those attending were Mr. and Mrs. Edwin Reynolds, grandparents; Mr. and Mrs. Richard and Linda Michael and Ricky, Craig Bailey, the guest of honor and his sister, Jacqueline.

Mr. and Mrs. C. Dorsey Zinn, 2036 Pontoon Road, entertained guests at a dinner party Sunday in honor of their son, John Biello, who was confirmed at St. John United Church of Christ.

Spring Bride-Elect Honored

Miss Carol Smolar, another of the bridegroom's bridesmaids, was guest of honor last week at a pre-wedding party and shower given by Mrs. Jackie Bulla, Maureen Nolan and Jean Smolar at the Slovak Hall in Madison.

Miss Smolar is to be married May 1 at Sacred Heart Catholic Church to Richard T. Nolan, a son of Mr. and Mrs. Richard G. Nolan, 2620 Delm., Ave.

A pink and white theme, the wedding colors, was used in the appointments.

The guests included Mrs. Vera Smolar and Mrs. Richard Nolan, mothers of the bride and groom-to-be, and Mesdames Louis Stovoff, Virginia Groening, Nancy Shiple and daughter, Barbara, of Granite City; Mrs. John B. Miller, Mrs. Richard Miller, Mitford Nolan, Irene Clucas, Helen Hutchings and daughters, Florence Zimalla, and daughters, Jackie Dillon, Maryanne Smolar and daughters, Josephine, Moth, Joanne Zotti, Helen Hepp, P. The Rev. A. E. Cope officiated at 5 o'clock in the afternoon before the alter decorated with pink and white flowers and illuminated with burning candles in branched candleabra. White bows marked the altar.

Mr. Bargel gave his daughter in marriage. She wore a lace and organza Empire gown. A long train was attached at the waist, was trimmed with lace, and a lace and organza Empire gown, as were the bell sleeves.

A shoulder-length veil of illusion was held in place with a pearl and sequin crown and the bride carried a lace arrangement of white roses, carnations and baby breath.

Mrs. David Hutchinson was honor attendant, serving with four bridesmaids.

Miss Sue Owens, Miss Nellie Varner and Miss Susan Bargel, a sister of the bride. They were dressed in Empire gowns with lace trim, bell

sheaves and bows in the back. Double bows held in place tulle veils. The colors were petal pink, lilac, mint green, robin's egg blue and tangerine. All carried pink and tangerine.

Miss Owens and Mark Mazzaro, a cousin of the bride, were flower girl and ring bearer. The former was in light blue and the latter in white daisies.

Among the out-of-town guests at the wedding, besides the bridegroom's parents, were Mr. and Mrs. Alan LaBro, Mr. and Mrs. Ivan Isel, and Mrs. Alvin Lewis, Mr. and Mrs. Carl Collins, and Mr. and Mrs. A. E. Hilliard, Mrs. Edith LaBro, grandmother of the bridegroom, all of Missouri; Mr. and Mrs. S. T. McGivern of Jonesboro, Ark., and Mr. and Mrs. Kenneth Smith of Carlinville.

The bride is a senior at the Granite City High School.

9 Seek 8 Area School Board Posts Saturday

Voters in the three school districts of the Quad-City area will ballot Saturday in what is expected to be one of the lightest school election votes in recent years.

Lack of opposition to incumbent candidates seeking re-election in Granite City School District 1, Davenport School District 3 and Moline School District 3 is expected to contribute to light turnout in those three districts.

In Madison School District 12, where three school board members are to be elected, there

are three candidates, two of them incumbents seeking re-election.

Polling places in all three school districts will open at noon and close at 7 p.m.

Seeking re-election to new three-year terms on the Granite City school board are George L. Davis, Donald Stuck and Harold Davis. Davis has filed as a rural member. Moore is seeking his third consecutive term, while his opponent, John T. Toliver, was appointed in 1967 and was elected to his first three-year term in 1968. Toliver is now completing his third three-year term in

1968. Davis is now completing his first term, having been elected in April 1968.

Three incumbent board members of the Madison school district, including Toliver and Del Blumhardt, are Frank Dermer. A third candidate seeking one of the two board posts subject to election is Theodore Koenig of Franklin Street.

Koenig, who has served 19 years on the Madison school board and Dermer is now completing his third three-year term.

Fire Victims Appeal For Food, Clothing

A family whose home was destroyed by fire last week is asking an appeal for aid Friday.

The family is in need of food, clothing, furniture and other items. The family includes six children.

The Frank Lewis home on Highway 162 between Lake Drive and Highway 111, was destroyed by fire which began at 11:30 p.m. Friday while the family was away.

"There was no chance to save anything," Mrs. Martha Stoltz, 2810 Lincoln Ave., sister to Mrs. Lewis, said.

"When the family returned home they found the fire trucks and the home destroyed," she added. The loss was estimated at \$10,000.

A neighbor said the home appeared to explode as a bedroom and a bathroom window broke simultaneously. Flames shot out and a window in the bedroom was blown out of the bedroom window, she said.

Charley Kenerly, president of the Long Lake Fire Department, said that fires of this type is normal with fires in an enclosed area after the oxygen supply is diminished by the flames.

Kenerly said the fire apparently started in the furnace room of the home near the electric furnace.

The Lewis family is staying temporarily at the home of Mr. and Mrs. Joseph Lewis, 2323 Lincoln Ave., and contribution may be made there, or arrangements may be made by calling 422-3984.

There are four boys and two girls in the family including a 4-year-old girl and a 10-year-old girl. Ages of the boys are 8, 16, 17 and 18.

The Grace Episcopal Church also will accept donations for the Lewis family. Items collected will be given them at an open reception at 7:30 p.m. Thursday, at the church.

Juveniles Arrested In Madison Store

Two juvenile girls were arrested within 30 minutes in separate instances Thursday night at Schermer's Market, 12th Street and Madison Avenue, Madison.

A 14-year-old Granite City girl was arrested at 5 p.m. allegedly taking a bottle of perfume. Around 12:30 a.m. East St. Louis girl was arrested at 5:30 p.m. for stealing two hair clips. They were referred to Madison juvenile authorities.

Intersection Collision

Clifford E. Hickey, 2944 Adams St., was charged with failing to yield the right-of-way with a control present at 5:15 p.m. Thursday, after the auto he was driving east on Twenty-Second Street struck a north-bound truck operated by Carol A. Bogosian, 2809 Idaho Ave., at the intersection of 26th and Edison Avenue.

Steel Demand to Put Strain on Transportation

The greatly increased demand for steel between now and the expiration of the USW contract on Aug. 1 will put a tremendous strain on existing transportation facilities, John C. Haggard, chairman of the American Iron and Steel Institute's Traffic Committee, warned last week.

Speaking for himself and fellow steel transportation executives, Haggard said that steel companies are making vigorous efforts to encourage the use of transportation companies to make available the maximum number of railroad cars, barges and trucks in order to move the very large tonnages of steel required in the next several months.

He also strongly urged steel customers to schedule their deliveries as far in advance as possible to insure shipments as rapidly as possible. Because of the limited amount of rail, water, and truck transportation equipment, steel will absolutely essential to achieve the fastest possible turn-around times.

With mills already shipping steel six or seven days of the week, there is only limited ability to expand loading time.

On the receiving end, however, most steel customers now unload steel only five days a week and frequently limit truck receiving time to only part of the day.

He said that without the cooperation of all concerned, the best efforts of the steel producers will be frustrated and customers will fail to receive necessary shipments on time.

I APOLOGIZE

In an ad, placed in my behalf in Thursday's Press-Record, a statement was made that may be partially untrue. It questioned Mr. Portell's education. After seeing his statement in the same paper that he was a high school graduate, I talked to him on the telephone. He told me that he did not graduate from high school, but that he did have a G.E.D. certificate. I asked him what year he received it and he said that he would have to call me back to give me that information. He did not call back.

I am sincerely sorry for any embarrassment this ad may have caused him or his family.

I have been warned that I will be the victim of a smear campaign on the last day before the election. Here is a statement on that subject.

In 1955-1956 I was an inspector on the construction of the Granite City sewers. Due to the fact that the lines I was in charge of were not more than 12 feet deep, there has not been any trouble with them unless it was caused by a collapse of a line they emptied into. The trouble has been with the lines that are far below the water table. No inspector could have prevented this.

Miss Gena Sterbens, Dennis Zerlan Wed

The wedding of Miss Gena Sterbens of Downers Grove, Ill., and Dennis Paul Zerlan of Naperville, Ill., will be held Saturday afternoon at First United Presbyterian Church in Granite City.

The bride is a daughter of Mr. and Mrs. Donald J. Hansen of Scott City, Kan. Mr. Zerlan's parents are Mr. and Mrs. Paul Zerlan, 2727 Michael Ave., Naperville.

The wedding ceremony was performed at 3 o'clock by the Rev. Dr. B. Maxon, Eric Alan Hensen, a brother of the bride, lighted the candles.

Attired in an Empire purple and olive green peasant style

dress, ankle length, the bride carried a nosegay of purple statice, white daisies and baby breath.

The wedding dinner was served at Cheshire Inn in St. Louis and the newlyweds left for a fortnight's honeymoon in New Orleans. They will be at home after April 19 in Naperville.

Both young people teach in the Chicago area. The former Miss Sterbens graduated from Kansas University with a degree in speech pathology. The bridegroom is a 1988 graduate of Illinois State University.

St. John Afternoon Guild Names

Officers; 39 at April Luncheon

A report of the nominating committee was made Thursday at a monthly meeting of the Afternoon Guild of St. John United Church of Christ and Mrs. Vera Schillinger and Mrs. Irene Hendricks were named secretary and treasurer, respectively.

The members will be seated the morning when members dedicated time to making supplies for the Hitz Memorial Home. A noon luncheon followed with 39 members served. Mrs. Clara

Huber was chairman of the committee in charge.

The luncheon session opened with prayer for the sick and shutins by Paul Edmunds.

Mrs. Ellen Ehler reported on the Church Women United May Fellowship luncheon and program, to be held at noon May 7 at St. John's.

St. John's Church, several members volunteered to attend a workshop April 17 at the United Church of Christ in Hamel.

The Lenten Quiet hour was conducted by Mrs. Marie Wille, assisted by Mrs. Grace Brinkman and Mrs. Minnie Kraskopf. The topic was "Because He Lives."

Plans were made for the May meeting at the church when the ladies of St. Peter Afternoon Guild will be entertained. Mrs. Edmunds and Mrs. Anna Milla Dettinger will supervise arrangements for the meeting.

Thursday's meeting closed with the Fellowship of the Fellowship of the Least Coin Service, the Lord's Prayer and a hymn.

Quad-Cityans to Protest Conviction of Lt. Calley

The conviction of Lt. William Calley in Vietnam brought quick reaction last week from Quad-Cityans who voiced disapproval of the military court verdict in petitions and plans for sympathy parades.

Madison Mayor Mike Saxy was among the first to sign a petition calling up President Richard Nixon to pardon Calley. The petitions are being circulated by William L. Meehan, 1241 Lester, Hill School, who presented them for signatures at a meeting of the Madison Lions Club Thursday night.

Madison Sheriff John Macrae and several members of the Lions Club signed the petition.

"We which the undersigned would like to express our displeasure over the verdict which was given in the Lt. William Calley court martial," the petition reads.

"We do not feel that Lt. Calley was completely in the right, but he was following orders.

"We also feel that Lt. Calley is being used as a military scapegoat; we therefore request that you use your powers to pardon Lt. Calley."

Fox is circulating the petition in nine area high schools and several Quad-City service clubs and expects to obtain up to 5,000 signatures.

A sympathy march in Calley's behalf is being organized by Norman Broyles, a local Vietnam War veteran, to be held downtown Granite City Saturday afternoon.

Broyles has contacted all local clubs and organizations interested in participating in the march to contact him at 452-4749. Individuals wishing to join in the march will be welcomed, Broyles said.

Marchers will meet at the Granite City Hall at 1 p.m. Saturday and will proceed through the downtown area.

Plan Protest Letters
Members of the Amvets Post 204 and Post Commandant Stanley Skibinski, recently appointed Adjutant General, will prepare letters in opposition to the Calley conviction and sentencing to be sent to the President, Illinois Governor and the White House.

The committee was named during a special meeting which was held last week. It was considered. Board members said the survey of area deposits will be made to assure the district of the highest possible interest rates on the district's fund deposits and the best banking services.

The FORUM

FAVORS WHITSELL, BELL
IN NAMEOKI BALLOTTING

To the Editor:

I guess you could call me a confused taxpayer. As things stand in the Nameoki Township, the Nameoki Township officials, there are questions I wish could be answered.

1. Why hasn't the suit filed in the spring and a half ago against the supervisor and former town clerk for meeting pay been settled? It would reimburse the township some \$4,000.

2. Why haven't the funds held in the bank and being deposited to earn interest, thereby increasing the income of the township and making it possible to give the taxpayers a break? Mr. Whitsell, working with the town board, will do this.

3. Why are people being told that Mr. Bell is non-union when copies of his two union membership cards are available for verification and can be obtained at Locals 520 and 525? Bell Brothers have never hired help and, if they do, I would like to know.

4. Why is it being indicated that Mr. Bell can further his trucking business with contracts from the township. We should all know this is against the rules.

5. Why has it been necessary in the last few elections to have challengers and watchers at our polls? Can't we have honest elections without them?

6. Why are white sample ballots being distributed when it is a law that the sample ballot cannot be white? Let's hope none of these end up in the ballot box.

I have faith in both Louis Whitsell and Albert Bell, that when elected they will do a fine job for our township.

Louis Whitsell has already shown his ability while serving as town clerk. This is our opportunity to take advantage of the know-how, interest and sincerity of Albert Bell.

I hope when the voters go to the polls on April 6, that they will look the situation over, finish the clean-up job started two years ago, and elect Louis Whitsell and Albert Bell.

MRS. EILEEN TRITSCHUK

LONG EXPERIENCE IN STREET WORK CITED

To the Editor:

I am writing this letter to inform you that I believe Lionel Portell is best qualified for the office of superintendent of streets. He is qualified through 14 years of experience.

During this 14 years, he has performed all of the possible jobs required by the street department workers, consisting of street cleaning and sweeping, street paving, street repair, maintaining lift stations, and sewers, and all the various jobs of the crews.

His last four years have been spent as supervising foreman. This all-important experience as foreman on the street department cannot be matched by any of the other candidates. He has gained valuable experience in all phases of the operation of the department.

Mr. Portell is also a fine civic leader in our community, having an active part in participating in his church and with the youth of our community.

He seeks this office as an independent candidate not backed by any group or group of people in this town. His support comes from many and various types of people in our community. With this kind of support, he will not be under pressure from any particular point of view, if elected to this position.

With this letter, I hope everyone sees him as a well-qualified civic leader and an independent political candidate and, most of all, the best qualified candidate for the office of superintendent of streets. His 14 years of experience, four years in a supervisory capacity, are certainly good strong reasons to vote for him.

MRS. PAULINE BELL
2945 Oregon Ave.

CALVO SAYS BOYD HAS INTEGRITY, LOYALTY

To the Editor:

It is my great pleasure to do the endorsement of the Third Ward alderman, Clyde W. "Bus" Boyd.

I have known Mr. Boyd for nearly 20 years and have found him to be a man of great honesty, integrity and one who has shown great concern for the welfare of his fellow citizens.

He has, by his actions, shown that he is a fine Christian gentleman and family man. He has a long record of service to his fellow man, extending from his years of service in the Pacific Fleet of the Navy in 1950 through the past eight years, when he brought honor to his ward and distinction to himself as alderman.

I consider it an honor and I am most happy to recommend him for re-election to continue serving as alderman.

HORACE CALVO
State Representative

ALDERMAN UNDERWENT SERIOUS OPERATIONS

To the Editor:

I have received some calls in this election from different people in the community, a piece of literature being distributed in opposition to Alderman Boyd about his attendance at council meetings for the period of April 1969 to Dec. 31, 1970.

What Mr. Boyd's opponent doesn't say, although he has been told, is that Mr. Boyd had four serious operations. He was hospitalized and confined to his bed during the period of time.

He was under the care of Dr. W. B. Bowers twice, Dr. W. F. Rose and Dr. Leonard Fox. He was confined to St. Elizabeth Hospital here, St. Elizabeth Hospital in Belleville, and Jewish Hospital in St. Louis.

I consider this type of election campaigning as hitting below the belt, and think the issues are what should be considered.

Also important is what has been done for the Third Ward and Granite City, and what important issues will come before the voters in the next few years, including any tax increase.

Also, the voters should be informed of the experience and qualifications of each candidate.

We hope Mr. Boyd's experience and qualifications. What about ROY POULOS
2213 Benton Street
Third Ward Alderman

FELLOW STREET WORKER DISCUSSES LEADERSHIP

To the Editor:

I have worked with Lionel Portell for the past 14 years on the street department of Granite City. I know that he has the ability and the leadership that is needed for the position of superintendent of streets.

I would like to encourage the citizens of our city to exercise their right to vote in the very important election Tuesday, April 6. I would appreciate their support and vote for Lionel Portell.

CLARENCE BAKER,
Street Department Foreman

WHY INTEREST BY SIXTH WARD IN THIRD WARD?

To the Editor:

I have never written The Forum before, but am deeply concerned about some of the things heard at our last union meeting.

I'm wondering why someone who does not live in the Third Ward would pickup petitions from the city clerk's office and present someone's name and address to run for election as a street commissioner.

The individual who does not live in the Third Ward, who is a supervisor crossed Dow Chemical's picket lines in two strikes there, and who also addressed the open letter which opposed the "anti-strikebreaker ordinance" is the one who endorsed the "clean house" at the polls.

Four of the aldermen mentioned on March 25 were endorsed for re-election in the April 1 issue, based on their overall performance and knowledge.

Regardless of who is doing the judging, no elected official is likely to achieve a record which 100% of the people who were endorsed described as perfect. The four are regarded, on balance, as preferable to their ballot opponents.

* * * *

Many people can see themselves as others see them. It's just that they refuse to believe what they see.

CITIZENS AIDED STUDY TO HELP CONSTITUENTS

To the Editor:

I recently I circulated a petition to all my constituents to ready a proposed drainage, water standing, andmodity conditions—on our street and improve lighting. Many people signed it.

The petition was submitted to the City Council at the meeting Feb. 15, which I attended and explained to them to explain our difficulties. The petition was passed.

I would like to inform the residents that, through the untiring efforts of Claude Green, our street conditions will be achieving results soon.

I have worked with other alderman in the past, but I certainly have never seen an alderman as close to his heart.

He has contacted the school board and they have promised to effect a better drainage system from the field adjoining the new school site.

Mr. Green has proven that he is a fine Christian gentleman and family man. He has a long record of service to his fellow man, extending from his years of service in the Pacific Fleet of the Navy in 1950 through the past eight years, when he brought honor to his ward and distinction to himself as alderman.

I consider it an honor and I am most happy to recommend him for re-election to continue serving as alderman.

In Memoriam

With love, the family of RONALD DIP, GRIFFITH, of Edwardsville, extends their sympathies to all our friends, neighbors and relatives at the time of his death. A special thanks to our dear friend, Rev. David Maxton, Dr. Robert S. Hill and nurses and Mercer's Funeral Home for their assistance. We deeply appreciate the beautiful floral pieces sent to Mercer's and our individual homes, the ones who brought food and helped in so many ways.

SON-IN-LAW, GEORGE, DON & GRANDCHILDREN, DAUGHTERS, GARNET & TERESA DAUGHTERS-IN-LAW, SHORTY, MARILYN, SONS, GERALD & FRANK 32-4-5

We wish to thank our kind friends and neighbors for their acts of love and sympathy during our recent loss of EUNICE PORTER, and also extend grateful thanks for the beautiful floral tributes to our beloved one. Special thanks to Pieper Funeral Home and Rev. John Polizzi.

CHILDREN, MOTHER, FATHER, BROTHERS and SISTERS 32-4-5
We wish to extend our heartfelt thanks and for the words of sympathy and beautiful floral offerings extended at the death of our beloved father, WILLIS McILVOY. Special thanks to Lauer Funeral Home and Rev. John Polizzi.

THE FAMILY 32-4-5
We wish to express our sincere thanks and appreciation to all the neighbors and relatives who were so kind to us during our recent tragic loss of JEANIE RILL, DANNY RILL & DINA A. ISHUM. Our thanks to Dr. Charles Greene, Dr. Lay, and the nurses in Pediatrics, Special thanks to Merced for their kind help and understanding. To Philip Pow, our very kind and compassionate choir of the Church of Christ our lasting gratitude. The pallbearers, ladies of the church who brought food, helped with the housework and the funeral with our baby, Lisa, we appreciate your kindness so much. We thank you for the cards, floral offerings, visits and the many prayers we behalf.

THE ISHUM, RILL and BOLD Families 32-4-5
We wish to thank our kind friends and neighbors for their acts of love and sympathy during our recent loss of husband and brother, and also extend grateful thanks for the beautiful floral tributes and masses to our loved one. We want to especially thank the Don Bruder family and Joseph Kries, Jr. family. Thanks to Pieper Funeral Home and Father Mangan.

GARNET HONERKAMP ROBIN HONERKAMP GEORGE HONERKAMP & IMELDA HONERKAMP 32-4-5

Newcomers Land Choice Roles in 'Music Man'

Two newcomers to the East area's theatrical groups, have been chosen for key roles in the Players' production, "The Music Man," scheduled for public presentation this month at the Granite City Elks Club.

Mrs. Milli Hoescher, director, announced this week that Ann Scott will make her debut on the local stage with the Players and Richard Peltz also will appear for the first time before area audiences.

The East Bank Players will present four performances of the popular Broadway musical on two consecutive Friday and Saturday evenings, April 23 and 24 and April 30 and May 1, in the Grand Ballroom of the Granite City Elks Club, 1329 Niedringhaus Ave.

Rehearsals for "The Music Man" are continuing at the club, where the production will be staged in a cabaret setting enabling patrons to enjoy refreshments during the performance.

In the Meredith Wilson musical, Mrs. Scott will make her appearance as the society leader of River City's "women-folk" and also sing and dance several comedy numbers.

Her role of Eulalie Mackeckin Shim, wife of the mayor of River City, will be a change from the role she was playing in the movie version by Hermione Gingold.

Native of GC

Mrs. Scott is a native of Granite City and graduated from the local high school. She is the daughter of Mrs. Russell Johnson and the late Russell Johnson who was an engineer and superintendent of schools. She is presently a teacher at Maryville School.

A graduate of the University of Illinois, she participated in college theatre and in the past was active in the Cheyenne Way, the creative service committee of schools. She is presently a teacher at Maryville School.

Peltz was graduated from Eu-reka College with a major in education. He has accomplished graduate work at Southern Illinois University and the University of Illinois.

Active in theater groups, he appeared in summer stock with the Cornstock Theatre in Peoria at the Goodman Theatre in Chicago and with Illinois State University's summer theatre.

A primary teacher in Caseyville, Peltz is currently the director of the Gifted program in Creative Arts for the Caseyville schools.

He recently directed a summer workshop in creative dramatics for the Fine Arts Festival of Eureka, Ill.

He will be remembered by local audiences for his work with

Barricades Broken
Barricades erected by Illinois Power Co. around an excavation in the center of the Niedringhaus-Grand Avenue intersection were damaged at 11:45 p.m. Thursday when a car driven by Charles F. Kyle, 26, of 2300 Nameoki Road, Apt. 2, went through the barricade and over the excavation, police said.

R BEWARE OF HEROIN ADDICTION. IT CAN RUIN YOUR LIFE!

Heroin is the most used of all the addictive narcotics. When first taken it relieves pain, reduces tension, eases fears and relieves tension and worry. But, at the same time, it depresses the brain, reduces hunger, thirst and the drive to live.

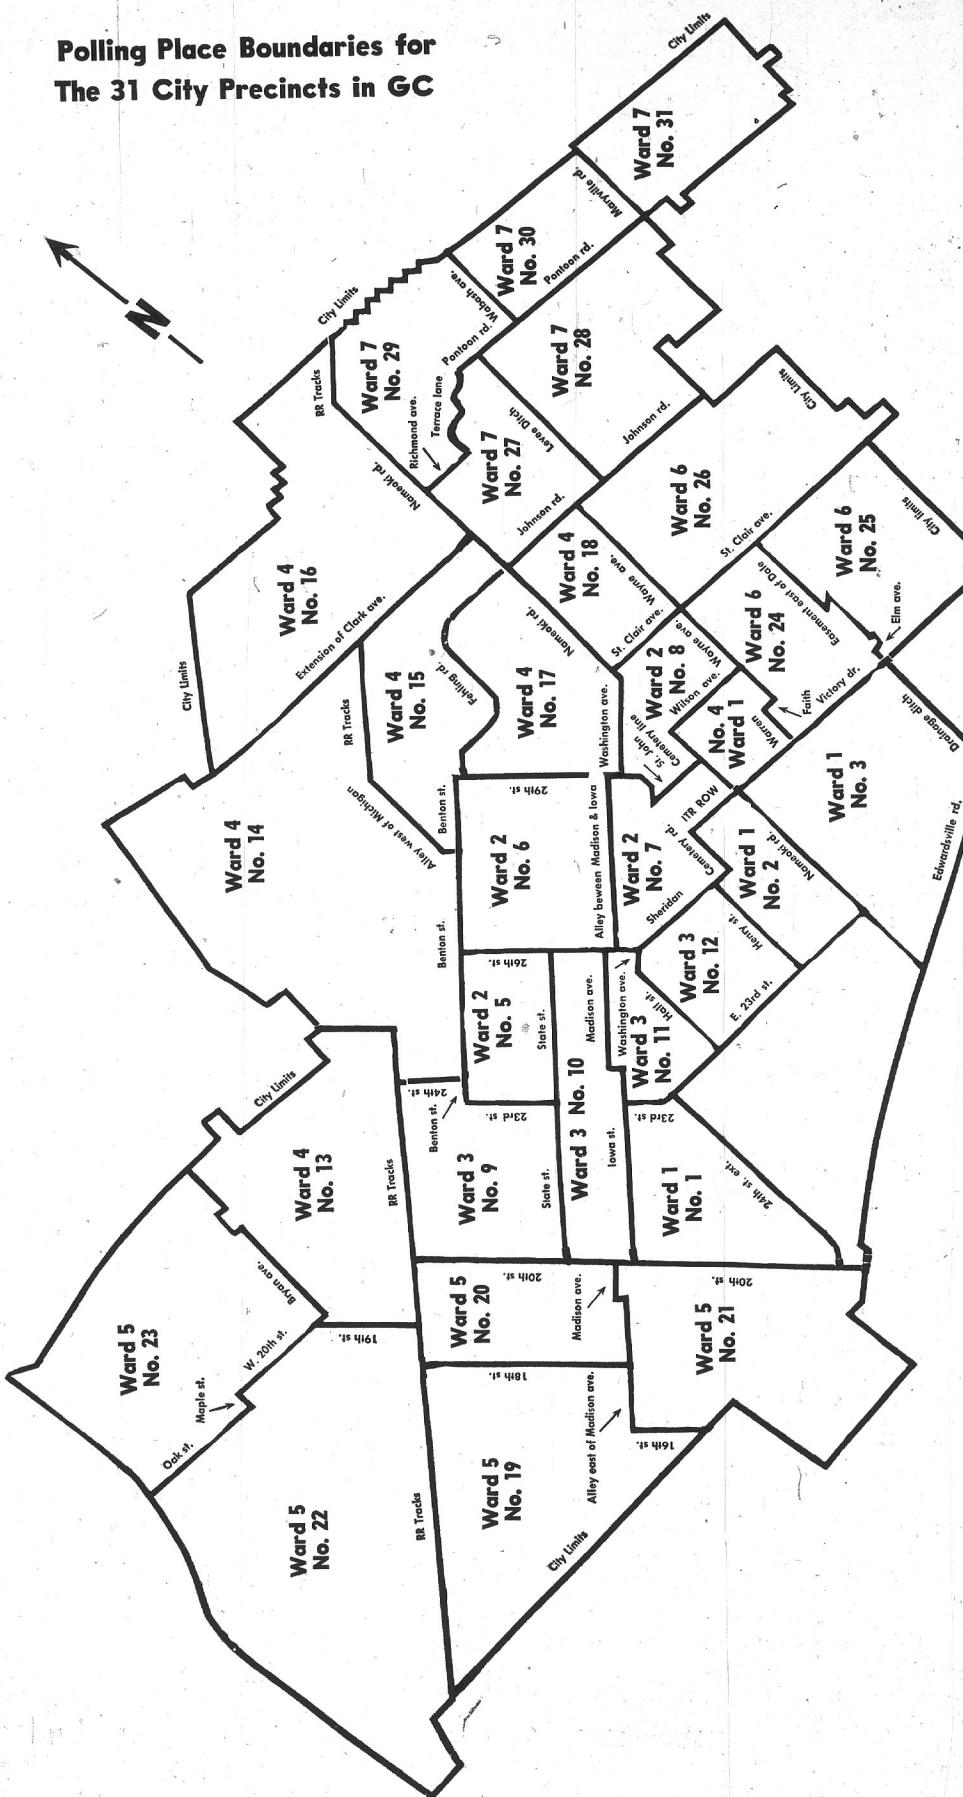

Heroin users require repeated and larger doses to get their effects. Soon they are addicted or "hooked." Then they must take increasingly regular and larger doses or suffer agonizing pains. They may sweat, shake, get chills, diarrhea, nausea, leg cramps and abdominal pains.

A heroin user often steals to obtain the drug. Most often prostitution or other crimes are the only way to get this money. The addiction is so powerful that a heroin user will do anything to get relief. Otherwise he suffers continuous unbearable torture.

The next issue of this Public Service message will discuss "smiling," the most dangerous method of taking illicit drugs.
